The Douglasville Police department currently runs a fleet of marked patrol cars. As of this time we have 2 cars without roof bar lights. These lights are needed for officer safety.

The Douglasville Police Department currently runs a fleet of marked patrol cars. The camera systems are antiquated and need upgrading. We will utilize funds for the purchase of one in car camera system to begin this upgrade.

The Douglasville Police Department is located nearby the City of Atlanta. The City Of Douglasville is becoming crowded and congested on the roadways. There is a regional mall within the city. At times there are high-speed pursuits occurring on occasion within the City Of Douglasville. At present there are no spiked stop strips in any vehicles. Spike strips may be utilized in conditions that would bring a high-speed chase to a halt.

The JAG money will be used to purchase the following equipment:
Cost of light bars are \$1450.00 each for total of \$2900.00. Cost of camera system is \$4670.00. Cost for 7 spike strip systems is \$5397.00 there will be an overage to be absorbed by City Of Douglasville funding.

The Douglasville police department has requested this grant in order to pay for much needed equipment. The equipment is a light bar, in car camera equipment, and spike strips. There was a public meeting held on March 20th in which the City Of Douglasville allowed the police department to apply for the grant funding.
