**American Recovery and Reinvestment Act of 2009
Byrne Justice Assistance Grant Program (JAG) 2009-F4792-OK -SB
Abstract**

The Bureau of Justice Assistance has proposed a federal fiscal year 2009 JAG award of \$2,998,831 funded through the American Recovery and Reinvestment Act (ARRA) of 2009 for Oklahoma City and several metropolitan communities with an allowable disparate allocation provision for Oklahoma County. The City of Oklahoma City will be the fiscal agent with the cities of Bethany, Choctaw, Del City, Edmond, Midwest City, Warr Acres, The Village and Oklahoma County as parties in the joint application for funds.

Oklahoma County and the Cities agreed that the fiscal agent for the grant will be The City of Oklahoma City. The application was made available to the public for review and comment. The grant award is for a period of four years. The City of Oklahoma City proposes to use \$2,134,382 of the federal grant award and all interest earned by the 2009 ARRA JAG award for the continuation of the Ambassador program (formerly known as Community Service Corp), to hire part time employees to assist in the sex offender registration process, to fund overtime gang reduction and specialized traffic enforcement programs, and to purchase automated license plate readers and a new firearms training simulator. The Ambassador Program provides support services for law enforcement in the recently developed downtown and near downtown entertainment district as well as community events held at various locations in the City.

Oklahoma County will use \$553,683 of ARRA JAG funds to purchase sixteen patrol vehicles, a driving simulator and new firearms training simulator. Bethany proposes to use \$33,672 of ARRA JAG funds to purchase electronic control devices, a breathalyzer, and vehicle video systems. Choctaw proposes to use \$17,247 of ARRA JAG funds to purchase electronic control devices, radars and tire spike systems. Del City proposes to use \$51,904 of ARRA JAG funds to purchase vehicle video systems and personal protective equipment. Edmond proposes to use \$48,290 of ARRA JAG funds for vehicle video systems. Midwest City proposes to use \$110,049 of ARRA JAG funds to purchase vehicle video systems. Warr Acres proposes to use \$28,908 of ARRA JAG funds for upgrades to their computer aided dispatch and records management systems. The Village proposes to use \$20,696 of ARRA JAG funds for a computer aided dispatch and upgrade to their records management systems.

A. Personnel **\$604,558.08**

Overtime Wages (based on top-step figures on current collective bargaining agreement)

Sergeant:

\$32.95 hourly rate + \$3.76 longevity = \$36.71 per hour

Overtime: \$36.71 x 1.5 = \$55.07 per hour

\$55.07 x 4 hour shift = \$220.28

3 Sergeants x \$220.28 per shift x 2 shifts per day = \$1,321.68

168 days x \$1,321.56 = \$222,042.24

Supervisor (Lieutenant):

\$36.04 hourly rate + \$3.76 longevity = \$39.80 per hour

Overtime: \$39.80 x 1.5 = \$59.70 per hour

\$59.70 x 4 hour shift = \$238.80

1 Lieutenant x \$238.80 x 2 shifts per day = \$477.60

168 days x \$477.60 = \$80,236.80

Total Personnel Costs: \$222,042.24 + \$80,236.80 = \$302,279.04 x two years=\$604,558.08

Proposed Expenditure Budget Gang Enforcement Overtime Program

A. Personnel \$644,981.76

The proposal for this initiative includes four police officer/sergeants and one police lieutenant working six hours per day four days per week (Friday through Monday 9:00 p.m. to 3:00 a.m.). The cost for this program is calculated at top step for each rank for estimation purposes. If actual hourly rates are less than the top step, the program will continue for longer than the estimated two years. The estimated cost for two years is calculated as follows:

Estimated Salary Overtime Cost Breakdown of the Program

\$55.06 per hour - Police Officer (4) for six hour shifts four days per week
(+55.06 x 4 x 6 x 4) = \$5,285.76 (per 4-day work cycle per week for 4 officers)

\$59.70 per hour - Police Lieutenant (1) for six hour shifts four days per week
(+59.70 x 1 x 6 x 4) = \$1,432.80 (per 4-day work cycle per week for one lieutenant)

total cost for four police officers and one police lieutenant x 48 weeks per year for two years =
(+\$5,285.76 + \$1,432.80) x 48 x 2 = \$644,981.76

Application Review**

The Bureau of Justice Assistance has proposed a federal fiscal year 2009 JAG award of \$2,998,831 funded through the American Recovery and Reinvestment Act (ARRA) of 2009 for Oklahoma City and several metropolitan communities with an allowable disparate allocation provision for Oklahoma County. The City of Oklahoma City will be the fiscal agent with the cities of Bethany, Choctaw, Del City, Edmond, Midwest City, Warr Acres, The Village and Oklahoma County as parties in the joint application for funds.

The joint application was presented to The City of Oklahoma City's governing body on May 5, 2009 and May 12, 2009. The agendas for both meetings were made available to the public for review according to applicable law. A public meeting notice was published in the newspaper with the largest circulation in the area to encourage public review and comment. The advertisement indicated the application was available for review on the Oklahoma City Police Departments website. The application remained available for review on the Oklahoma City Police Department's website for thirty days. The posting included a link to email comment to the Oklahoma City Police Department. No public comments were received at either public hearing nor to the email address provided. The Memorandum of Understanding signed by the Oklahoma City Police Department, Oklahoma County and the cities of Bethany, Choctaw, Del City, Edmond, Midwest City, Warr Acres and The Village is attached below.
