Dear Member of Congress,

On behalf of a broad range of education, immigration, faith, civil rights, children, and labor organizations, thank you for supporting the DREAM Act. Your historic vote in favor of DREAM is a vote for the future of our country, the value of education, and an investment in our youth. DREAM will assist tens of thousands of students across the United States to reach their full potential and contribute to their communities. DREAM also provides a much needed boost to our economy.

DREAM Act students are honor roll students, community volunteers, small business owners and valedictorians. If given the opportunity, they will become future teachers, military leaders, nurses, and scientists. Passing the DREAM Act will be a benefit to all of us when these students have the chance to fully put their talents to work.

Thank you again for your leadership.

Best,

Marielena Hincapié
