Re: Letter dated April 11, 2011

Dear Ms. Glenberg:

I am in receipt of your letter to Dr. Steven L. Walts, Superintendent, Prince William County Schools (PWCS) dated April 11, 2011. When we spoke a few weeks ago, you and I agreed that the deadline in your letter would be extended to May 9, 2011. I write today seeking a brief additional extension.

As we continue our due diligence, your letter and the issues raised therein have been placed on the Closed Session School Board Agenda for the next School Board meeting on May 18, 2011. Shortly thereafter, PWCS will send you a detailed written response to your letter.

I appreciate your indulgence as we work through our normal administrative process.

Your attention to this matter is appreciated.

Sincerely,

James E. Fagan, III
Division Counsel
