Dear Mr. Quinto-Pozos:

As I shared in my email response earlier today, I met with our staff in order to review the concerns in your correspondence. We determined that we should unblock the category "education.lifestyles." I did confirm that the websites listed in your letter were unblocked as of this evening. In addition, all other websites deemed through Lightspeed Systems to be categorized as "education.lifestyles" will be unblocked as well. If you have any questions or need any other information, please do not hesitate to let me know.

Sincerely,

Jim F. Chadwell, Ed.D.  
Superintendent  
Eagle Mountain-Saginaw ISD
