Ms. Huizar:

Please find enclosed the copies of the files that was requested on 47 defendants from the Biloxi Municipal Court on June 11, 2015. The Municipal Court does not have hearing transcripts and audio, this court does not use a court reporter.

Please be advised that this came to 58 cases. You will find your request for copies of files, abstracts and pay history on each case. You will also find enclosed computer printout of warrants, capias warrants issued by the Municipal Court between 9/1/14 to the date of this request for arrest of individuals charged with failure to pay court-imposed fines, fees, costs, and or restitution

Please be advised that you will find a copy of the City's budget, Comprehensive Annual Financial Report and the Municipal Court Budget. This should cover everything that was on your request to the City of Biloxi. Please be advised that in case# 02-040209 Timothy Les Ervin the state statue requires us to keep traffic tickets for only the past 3 years, but I have enclosed abstracts and pay history for this case. If you have any further questions please don't hesitate to contact the Court.

Thanks,
