Calvin,

We have worked on the ALPR Functional and Technical requirements document and is attached for your review. The rows in bright yellow are requirements in questions for you and the other rows (highlighted in light yellow) are the requirements from APD incorporated into the document.

We appreciate if you could review this document and provide your feedback by tomorrow. As you may know, we are trying very hard to issue a PO next week to make sure we are with in the grant time lines.

Please feel free to reach me if you have any further questions.

Regards,

Manju Dasari
