Dear Chris:

In response to your Public Records Act request addressed to Sheriff John D'Agostini and dated July 31, 2012, the El Dorado County Sheriff's Office does not utilize any automatic license plate readers or systems. Therefore, we are not in possession of any records referring to such systems. In addition, the department has never conducted a study of such systems that resulted in a written document or record of any kind.

Your request stated that the response may be in writing or email to cconley@aclunc.org. This letter attached to an email will be the only communication responding to your request. If you need further assistance, please feel free to contact me at (530)621-6586.

Sincerely,
