RE: Public Records Request/Automatic License Plate Readers

Dear Mr. Morse:

This is in response to your Freedom of Information Act requested dated July 30, 2012 and received in our office on July 31, 2012. You requested all records regarding policies, practices and procedures for procuring and using ALPR technology and for storing, accessing and sharing data obtained through ALPR technology.

At this time Elsmere Bureau of Police Department does not have a policy of ALPR technology. Our department does not plan to purchase the technology in the near future and have no records or data pertaining to this technology.

Please feel free to contact me at laura.giles@cj.state.de.us if you have any questions.

Sincerely,

Laura M. Giles
Chief of Police
