

# LPR FOIL Request

1. Glens Falls Police Department has no written policy on LPR usage.
2. Glens Falls Police Department was given the LPR on a grant by the Governors Traffic Safety Committee. Unit was originally purchased for another agency who did not want the LPR after using it on a trial basis and ownership of the LPR was transferred to us.
- 3a. License plate number, photo of plate and GPS location.
- 3b. Approximately 6000 per month
- 3c. One
- 3d. One
  
- 4a. License plate number, photo of license plate and GPS location.
- 4b. 60 days
- 4c. Data self deletes after 60 days.
- 4d. Glens Falls Police Department does not store data externally from the LPR.
  
5. Data is stored only on the LPR and can be accessed only by GFPD Personnel.  
We have never had a request from an outside agency or any person to access LPR data.
6. Glens Falls Police Department currently does not share LPR data with any other agency at this time.
7. Glens Falls Police Department currently does not access any third party LPR data.
8. We do not use any training material for LPR instruction. One officer was trained by ELSAG who then trained other officers how to use LPR unit, "Train the Trainer".
