Hedy Weinberg:

On August 2, 2012, this office received your open records request to inspect/receive copies of records pertaining to Automatic License Plate Readers. Tennessee Code Annotated § 10-7-503(a) provides the following:

(2)(B) The custodian of a public record or the custodian's designee shall promptly make available for inspection any public record not specifically exempt from disclosure. In the event it is not practicable for the record to be promptly available for inspection, the custodian shall within seven (7) business days:

- (i) Make such information available to the requestor;
- (ii) Deny the request in writing or by completing a records request response form developed by the office of open records counsel. The response shall include the basis for the denial; or
- (iii) Furnish the requestor a completed records request response form developed by the office of open records counsel stating the time reasonably necessary to produce such record or information. [emphasis added]**

In accordance with the above-cited law, this letter is being sent to inform you that to reproduce these records would far exceed the \$50.00 your office is willing to pay but you are more than welcome to schedule a time to come and inspect such records. Normal business hours are Monday through Friday, 8:00 a.m. to 5:00 p.m. Please inform this office of your intent and we will do our best to accommodate you.

Respectfully,

Jennifer Knolton
Records Custodian
