Dear Ms. Weinberg:

On August 2, 2012, this Office received your open records request dated July 30, 2012, to receive copies of various records dealing with Automatic License Plate Readers (ALPRs). After reviewing the request, this Office is unable to provide you with any of the requested records because the Murfreesboro Police Department does not possess the technology sometimes referred to as Automatic Vehicle Identification, Car Plate Recognition or License Plate Recognition equipment and/or software. Therefore, no records are available to furnish.

If you have additional questions or comments please do not hesitate to contact my office.

Sincerely,

W. Glenn Chrisman
Chief of Police
