SUBJECT: ALPR UPDATES AND WEEKLY REPORT

DATE: May 31, 2011

FILE REF:

Sir:

I respectfully report that the ALPR updates have not been completed. On Monday, May 30, 2011 the undersigned attempted to do the updates, but was unable to connect to the ALPR Server.

On Tuesday May 31, 2011 I attempted once again to do the updates and was given the same error message "unable to connect to the server". I called Detective James Bircsak who last fixed and updated the ALPR server and was notified that he is no longer in MIS. Detective Joseph Velez from MIS checked the connections on his end and said everything was in working order. Detective Bircsak from Compstat was notified and he stated after he is finished working with his assigned Compstat business he would attempt to fix the ALPR.

I will continue to try to fix this problem, but as of this writing the server is not able to do its updates.
