Attorney Totolo:

I am in receipt of your request for records regarding any APLR program conducted by the New Bedford Police Department. Please be informed that the New Bedford Police Department does not have such a program, compiles no information as a by-product of any such program, nor do we have any plan to implement the use of such equipment in the near future.

As such, I am not in a position to provide you with any of the records that you have requested as they do not exist. Should you have any further question, please feel free to contact me.

Sincerely,
