Ms. Rich:

Your request, dated July 30, 2012, for certain public records was received by my office, and has been researched. The Office of Preparedness is a criminal justice agency; therefore, this response is made not only in compliance with the Colorado Open Records Act (C.R.S. 24-72-201, et seq.), but also with the Colorado Criminal Justice Records Act (C.R.S. 24-72-301, et seq.)

Copies of several series of records from the period January 1, 2006, to the present were requested. This response is keyed to the same numbering system used in your original request to describe each series, and concerns public records in the possession of the Office of Preparedness:

1. No such records exist.
2. Pursuant to C.R.S. 24-72-204 (2) (VIII) (A) *Specialized details of security arrangements or investigations*, and *Section 5. Administrative Requirements of the Federal Emergency Management Agency 2010 Buffer Zone Protection Program*, any such records are not open records. Therefore, the Office of Preparedness cannot provide copies.
3. No such records exist. Further, the Office of Preparedness has no knowledge of federal requirements for ALPR systems.
4. No such records exist.
5. No such records exist.
6. No such records exist.

Thank you.
