### **Re: Your Public Record Act Request**

Dear Mr. Conley:

Your Public Records Act request was forwarded to the Office of the County Counsel for response. Under Section 6253(c) of the Government Code, the County must advise you whether the records you have requested are discloseable.

After reviewing your request, it appears that the County does have records which are discloseable and these records are provided in the attached files and are provided subject to the exemptions embodied in the Public Records Act.

If you have any questions or concerns regarding the above information, please contact me at 530-666-8172.

Very truly yours,

Robyn Truitt Drivon  
County Counsel
