Subject: LPR conference: stand down

Mike and Garrett:

Please stand down on the LPR policy paper and the conference participation. I just got a clearer picture from Chuck DeWeese re our involvement.

It's all under control. He just wants me to be aware of what they are doing. So, I'll represent us at the conference or send Sami. No presentation or policy paper is expected or needed at this time.

But, it's probably something you'd want to add to the task list. Just not urgent. MA did query the GHSAListServe for info on what other states are doing re LPRs.

I'll keep everyone posted.
