Yes, I would like to attend. Also, it appears that Jim Ports is going as well? Do you think it is possible to bring two individuals from the NYS Chief's of Police Assoc. The Executive Director is very interested himself. If not I understand, let me know and I will get you names ASAP.

I am at the NYS Chief's of Police conference and I have had several good discussions with many Chief's about our efforts, there is a great deal of interest from Chief's about DDACTS, at some point you and I will have to discuss this at length. Also, the Chief of Hempstead Long Island has an interesting project using LPR's. I told him that I would get you his info and perhaps you can stop and see him.

Chuck,

Would you please send me your final attendees list with titles. I'll need to get it to NYPD

**From NHTSA:**  
Jim Ports, Deputy Administrator, NHTSA  
Mike Geraci, Associate Administrator for NHTSA Office of Safety Programs (tentative)  
Tom Louizou, Regional Administrator, NHTSA Region 2

It looks like Jim Ports plane won't arrive until 9:20a. He's flying in from Baltimore/Washington. I have a call in to NYPD to see if the start time can be pushed back to 10:30a. I'll let you know.
