Mike,

Here's a generic DOJ report on ALPRs that the NYS SHSA sent us. IACP was the study contractor. CA, NY and FL have the most in use and this supports our proportional share policy. The informal R2 rule of thumb of 20 – 25% policy can be supported here, too. An updated NYPD report is being prepared. I think it will be more useful, yet. I'll share it as soon as I get it.

Tom
