Do you want to clean this up if (b)(6) doesn't surface soon. You could let her know. I want to get this to (b)(6) so we can submit to ESEC.

(b)(6) I think this is ready. I made a couple of more tweaks. On timing, I am suggesting that a verbal update be provided at the January meeting, interim recommendations at the June meeting and final ones in the Fall. When I send it to Farah I will copy George etc. and make sure that timing works for all. Can you mark this draft and FOUO since it is an internal document and I don't want it shared beyond (b)(6) is working on the accompanying memo that goes with this. Thanks!
