Hi,

I know there has been a lot going but wanted to resend this and flag our request for upcoming HSAC meetings and potential invitational travel that may go along with them. Happy to talk through of this with you. We would like to give the green light to our subcommittees this week to start locking in dates.

Thanks,

(b)(6)

Hi (b)(6)

As we discussed yesterday here is the list of meetings the HSAC would like to have through September 30, 2016. We already have a few dates on hold and would like to start putting out placeholders for Cyber and CVE. In addition, we would like to arrange a SW border visit (with CBP assistance) for the Panel chair and (b)(6). I would be happy to provide more detail in order to determine if we can receive approval for that.

Thanks,

(b)(6)
