 Subject: IGA/Partnership Engagement Intern

All:

The White House Liaison's Office has found us 1 intern for the fall, (b)(6) and he will join us on Tuesday, September 29th. (b)(6) schedule will be: Tues and Friday: 11-2 and Wed: all day and he will be sitting in the cube behind Sherrod.

Please take a look at this resume and please let me know if there are any specific projects you would like to have him work on while he is with us this fall. I think given his major there might be a strong interest
