Am I off the committee?

Since this group is very well versed on these issues, I think what would work best is if you were able to please provide a few minutes of top level discussion on what you are doing in this space, with the rest of the time available for Q&A and discussion with the members.

For your reference, attached is the subcommittee roster.

Thanks again,

I'll check schedules and get back to you. Did you want us to present on something or just for discussion?

Would it be feasible to have someone join sometime between 12:30pm-1:30pm on Friday? Around 30 minutes would work, but we can accommodate any availability that you have.

Thanks very much,

(b)(6) we would love to have you speak to us on Friday and via video or phone will work. I am adding (b)(6) to follow up with a time and we can also set up a time tomorrow to talk if that would be helpful.

Thank you for reaching out to us.

Apologies for the delayed response on this. We may be able to get someone to join via video or phone. What did you want our team to discuss and for how long? What windows of time would work?

Thanks so much,

(b)(6)

Thank you (b)(6) for the introduction. (b)(6) and (b)(6) very nice to meet you virtually. I am running the Homeland Security Advisory Council for Secretary Jeh Johnson. The Council has stood up a subcommittee at the request of the Secretary that is focused on countering violent extremism. It is co chaired by (b)(6) (b)(6) and (b)(6) copied above. We are having a meeting on Friday at the Wilson Center and were wondering if either of you might be available to speak to our group in person, or alternatively by video or phone. (b)(6) who works with me and is copied here can follow up with some more background information and to see if there is a time that works for you.

We look forward to hearing from you.

Best,

Dear (b)(6)

I'd like to introduce you to (b)(6) and (b)(6) both with DHS. This upcoming Friday I'll be speaking to a subcommittee they are working on, focused on countering violent extremism, about the role of feminism in identifying and stemming violence. (b)(6) and (b)(6) are working with a variety of nongovernmental stakeholders, including social media and tech companies, and would like to talk to you about participating. The work you are doing sounds highly pertinent! I've cc'd (b)(6) here, pursuant to contacting her earlier.

Hope you are well and enjoying the long weekend.

All the best,

(b)(6)
