(b)(6)

I am following up on your offer to have the BBG Board brief the Homeland Security Advisory Council's (HSAC) Subcommittee on Countering Violent Extremism. The CVE Subcommittee was stood up at the request of Secretary Johnson and is something that he is tracking closely. I am copying the subcommittee co-chairs, (b)(6) and (b)(6) and have also attached a copy of the subcommittee roster and the FRN announcing the subcommittee for your reference. The subcommittee is very interested in hearing about what BBG is doing on the CVE front so that they can better understand the landscape, and hear what you think is working and what is not.

Please let us know what would work best on your end. (b)(6) copied above can help with scheduling.

Thank you again and we look forward to connecting soon on this topic.

All the best,

(b)(6)
