All:

I'm looping in (b)(6) – I'm going to be offsite most of the day, if you can send your information to her so she can compile it into one email for me that would be great. Again, OPA is under a tight deadline so please be sure to provide your input in **RED** by noon today to (b)(6)

Thanks,

(b)(6)

Subject: OPE Help with SPRINT366 Project for DHS Front Office

Importance: High

All:

The Secretary initiated a "SPRINT366" project back in January and it identifies various DHS priorities that he has for the remaining 366 days of the administration (this is when he issued it). OPE is not lead for any task, however we are coordinators on a few. One of those is led by OPA and it captures all of the various major engagements that the Secretary can do, or is confirmed for between now and the January 2017. OPA is requesting our assistance in populating our items into the list below

Please find pasted below what OPA is tracking into the beginning of September. Can you please type directly into the email to add things in chronological order so that OPA can report them up, and so that we can include the events in our strategic planning moving forward. Also, when adding items for OPE, please do so in **RED** so it is easy for OPA to see what we have added – I have added in one OAE item for your reference. If S1/S2 is confirmed to participate or speak, please denote, but if it is just an event that OPA should be aware of (MCCA Conference, for example), we can just list it.

Please let me know if you have any questions at all – OPA is looking for a quick turn on this so if you're able to provide your information back to me by **noon tomorrow** that would be great. We really appreciate the help!

Best,

(b)(6)
