Hi (b)(6)

(b)(6) is trying to make the call at 11am today. I was just emailing back and forth with her. Let me send her a quick note to see if she is absolutely able to make it.

Thanks,

Hi (b)(6) and (b)(6)

I hope you are well and had a great weekend. (b)(6) is in London today - I was wondering if it would be possible to get a UK line for today's CVE subcommittee call at 3:00pm EST?

I also wanted to note that (b)(6) will be in India on 4/25 and 5/2 and cannot make those scheduled calls. If that is an issue let me know.

Thank you!
