Adam and Christian,

I am not going to be on the call. I have a security interview to do (unless its running late).

Best,

Mike

All-

Since we are still waiting for some people to return from travel, tomorrow we will have the CVEWG meeting scheduled as a call rather than as an in-person meeting. Topics of discussion will include a read-out from the 5CM meetings, an update on the two cities effort, as well as an update on the Bipartisan Policy Center event on 7/31. For the call tomorrow please use the information below to dial in:

DIAL-IN: (b)(6)

Thanks very much,

Lauren
