Hello (b)(6)

Thank you very much; I'll definitely be in DC that week, and would like to meet with you. Which days and times would be best for you? And what is the location of the conference? I can meet with you there if you like.

Do you have any details, such as an agenda, for the CVE conference you mention? And do you have any suggestions for who I might contact to request a formal invitation to this conference event? I think it would be extremely helpful for me to learn more about new directions in CVE and identify implementing partners. I had been interested in identifying just such an event to attend.

(b)(6) will you or others in CT be attending this?

Best regards,

(b)(6)

Hello (b)(6)

Thank you for reaching out. I will be in DC for the NCTC CVE conference first week of November. Will you be attending? If so maybe we can meet on the margins. Otherwise happy to setup a phone call.

Thanks,
