My apologies, I meant to suggest meeting at this time on Wednesday, Day 2 of the conference. Does that work for you? What is most convenient that day.

Let's plan to meet on Tuesday then. I have another meeting during the lunch break, so I'm not free then, but would you like to meet during an afternoon coffee break on Tuesday, or at the conclusion of the meeting that day?

Also, what is the best way for me to find you during the meeting? Perhaps (b)(6) could introduce us? I'm not sure exactly

how large a meeting this will be. If it comes to it, and we have cell phone access there, I can call you on that number.

I look forward to hearing from you.

Thanks,

I will be around for both days of the conference but will have to leave pretty early on Tuesday. I will be there most of the day Wednesday, maybe we can plan to grab lunch or set some time aside between sessions.

Just wanted to follow up on this—what is the best time for you to meet on the margins of this CVE conference? What's the best way for me to find you once you arrive at the conference?

Please just let me know what would be most convenient for you. I look forward to hearing about the CVE work that you are doing.

Thanks,

(b)(6)
