Subject: CVE Intervention Focus Group

Hi (b)(6)

I'm really looking forward to the focus group meeting on the 16th. We have confirmation from DMH, DHHS and GRYD to attend the meeting.

I do need you to connect me with the (b)(6) from Access so I can extend the invite to him, or if there are others that should attend. So far I have the following people on the community side ((b)(6) (b)(6)). I will also invite (b)(6) since (b)(6) asked for him to be included.

There will not be law enforcement for this meeting. I'm hoping to work with this group as a foundation to initiate the actual local planning. We will loop in law enforcement as a second step during the workshop in December when (b)(6) presents her model.

I asked (b)(6) to put this on the agenda for the ICG as it is important for all of us to be on the same page and move in a collaborative fashion. What do you think?
