Subject: Intervention Framework Project

Dear (b)(6)

Thank you for lunch today! It was great to sit with each other for a full conversation.

I want to reiterate my keen interest in the current part-time/contract opportunity available re intervention - assessment/development of a coherent and complete model. My work thus far has placed me in a unique position to understand the gravity of the challenges this work brings while continuing to see tangible opportunities for short-term success.

If this is something we can bring to fruition - it would be great to meet before the holidays to plan our upcoming months to ensure maximal impact and effort.

Honored to be considered and excited by the opportunity!

That lemon chicken salad wasn't bad at all!

Thank you,

(b)(6)
