I have cc'ed (b)(6) who is the DHS CVE lead in LA. I have also cc'ed (b)(6) who was my former boss at DHS and is now the senior civilian at LAPD. Both (b)(6) have extensive CVE experience. If you need any other contacts please let me know. I have done a lot of work with (b)(6) at OSCE and value the programs they support.

Subject: request for DHS CVE contact in LA

Hi (b)(6)

(b)(6) in CC, a colleague of mine US secondee to the OSCE Mission in Bosnia and Herzegovina, is returning home in Los Angeles for her leaves in December. She is in charge of our Politico-Military Unit in Sarajevo, which runs a CVE project funded by the DoS CT Bureau. She would like to meet with the lead DHS person on CVE for the Los Angeles area and I wondered whether you could share relevant contact details, notwithstanding the fact this is kind of more of an informal request.

Thanks in advance and best wishes,
