I'll poke around on this a bit over the next day or so and see what I turn up. I recall the issue of NCTC funding use by CVE coming up last year, as you referenced.

Note that (b)(6) is out all week (b)(6), I'm jealous) so she won't be back in the fold until next week at the earliest.

Could we possibly talk among ourselves a bit and then schedule a conference call with (b)(6) on Friday? Would that work for everyone?
