Subject: New Resource: PVE Teacher's Guide

Dear Colleagues,

Please find attached the UNESCO "Teacher's Guide on the Prevention of Violent Extremism" announced at the Geneva Conference on PVE last Friday. This Guide was funded by the United States, field-tested in U.S. secondary schools, and is intended for upper-primary to upper-secondary formal and informal education settings worldwide. French and Arabic versions will be available soon, followed by other languages as resources permit.

Please don't hesitate to let me know if you have any questions.

Many thanks,
