Fine for us to cover the PAE's travel costs. For CVE, are we going to have a subcommittee kick off call by Dec 1 rather than in person meeting to get things going? Alaina is asking if we are going to have a meeting by Dec 1. Thanks

Erin,

That's fine – right now we're looking at 3 Task Force meetings and the border trip that are expected before the end of the calendar year, is that correct?

Dec 7th - Grants (is this no longer on the 20th as thought?)

TBD – Cyber

TBD – CVE

Border Trip
