Hi Erin,

IGA manages a group call the Council of Governors (COG) which is comprised of 10 Governors, DHS, DoD and the White House. We do two in-person meetings with this group each year that the Secretary or Deputy Secretary attend. In between those meetings we have staff working sessions. Last week was one of those working sessions and during the working session we received a few HSAC related questions regarding the recent CVE and Cyber taskings. I would like to follow up with the COG staff and provide the two taskings to the group, as well as members sitting on each Task Force. Also, the COG has done significant work related to
