Dear Chris,

I hope that this note finds you very well. I have been meaning to drop you a note for months and months!

I am writing because I am on Secretary Johnson's Homeland Security Advisory Council and am co chairing a subcommittee on Countering Violent Extremism. I recall our conversation on the eve of the first event I did with you in 2014 in NYC (not the Concordia event). At the time, over dinner, I was explaining that counsel from your industry -- not to speak of partnership-- on particular initiatives around Muslim youth would be exceptional.

I am writing now to see if you had time to talk with me and a few colleagues about partnering with your industry. I would be so grateful.

With Kind Regards,
 Farah

Farah,

I am delighted you will do the Concordia session. Please see an in-depth story on the issue just out on MIT Tech Review at the link above.

Warm regards,

Chris
