Hi Jeff and Jacob,

I am responding to a CFO data call regarding current and anticipated expenditures related to Countering Violence Extremism (CVE) for Fiscal Years (FY) 2012 and 2013. The attached "CVEWG Roster" list you as the POCs for DSEC and the attached "CVE Template", worksheet "Working Group Input" states that all components are involved in "Travel and Engagement (International and domestic travel and engagement)."

Can you tell me if there are any current and anticipated expenditures related to Countering Violence Extremism (CVE) for Fiscal Years (FY) 2012 and 2013 funded by DSEC?
