Brian,

Nate gave me the orientation on the CVE community on HSIN.

I went over some of the features with Michael Vogel. He can add comments, but in general, the CVE feature looks like a good information sharing system. The S2 may want to (b)(5)

(b)(5)

Running through a demo during the SCG may be too much detail for the upcoming agenda. Certainly something that can be done in a separate meeting

with SMEs.

Please let me know if there is anything else you would like me to follow through on.
