Subject: Re: CVE letter

Got it. I think Crystal from my staff just discussed with Nate and she's pushing it into clearance now.
Thanks, Jeff!

Miranda Andreacchio
Branch Chief, Executive Secretariat

Subject: CVE letter

Miranda and Nate:

Wanted to make sure you guys were synced up re: the CVE letter that our ESEC just tasked out. It has already been drafted but needs to be reviewed and cleared by the relevant folks (hence the tasking).

Miranda, let me and Nate know if you have any questions.
