Re: *ACLU v. National Security Agency, et al.*, 13 Civ. 9198 (AT) (MHD)

Dear Ms. Gorski and Mr. Toomey:

I write to provide a supplemental release of one one-page document, referenced in the parties' prior motion papers and the Court's Memorandum Opinion and Order as "CIA 46." The document bears Bates number C06240507. CIA has determined that it can and will make a discretionary supplemental release of this document, as to which CIA previously asserted privilege. The email transmitting this letter will include a PDF version of the document.

Please let us know if you have any questions regarding this matter.

Sincerely,

JOON H. KIM
Acting United States Attorney
