All – please see the recently sent out agenda on the Online Radicalization to Violence workshop on March 18th at the Australian Embassy.

We are still determining the attendance policy with this discussion. Please use this for awareness purposes only. If you have any suggestions for contributions to the agenda please let us know as well.

In regards to the GCTF agendas that were sent out earlier, we are also determining the attendance policy as well. Please do not register for the event.

We know these workshops are of a lot of interest. We will keep you all posted on opportunities to participate.

Thanks,

-Nate
