Mr. Troy E. Costales, Administrator

Transportation Safety Division
235 Union Street NE
Salem, OR 97301-1054

Dear Mr. Costales:

I write in response to your letter of March 2, 2010, requesting authority to purchase an Automated License Plate Reader for the Clackamas County Sheriff Office's TACT vehicle. This piece of equipment will allow the SO to communicate with the DMV on a daily basis to help identify habitual criminal traffic offenders who continue to drive in Clackamas County. It is understood that this equipment will not be used for any other purpose over the next four years. Funding for this purchase will come from project number SC-10-35-05 CCS.

Your request is approved for the amount of \$25,000. This equipment will enhance Clackamas County's attempt to reduce the number of people in the county who are Driving While Suspended/Revoked, and we look forward to following the progress of this endeavor and seeing the results.

Sincerely,

John M. Moffat
