

(U//FOUO) SINIO Strategic Intelligence Seminar: *The Warning Process*

FROM: [REDACTED]
Deputy Chief, Strategic Intelligence Issues
Run Date: 07/12/2003

(C) The SINIO Council and the National Cryptologic School are pleased to present the fifth in a series of Strategic Intelligence Issue Seminars for Summer 2003. "The Warning Process" will be presented by the Deputy SINIO for Warning, [REDACTED] on **17 July from 1100-1300 in Room 2N092 (OPS1 building)**. Advance registration is required; instructions are provided at the end of this article.

Course Overview:

(U//FOUO) Have you ever wondered how the Indications and Warning (I&W;) process is handled at both the national level and specifically here at NSA? Discussion will cover players, philosophies, functions and publications of the Intelligence Community Warning apparatus, with special emphasis on NSA's role in both the National Intelligence Warning System (NIWS) and Defense I&W; System (DIWS).

(U//FOUO) Please consult the [SINIO Website](#) ("go sinio") for information on future events in this series.
