Business Records FISA

Presentation for the
Foreign Intelligence Surveillance Court
September 1, 2009

This Briefing is Classified ~~TOP SECRET//COMINT//ORCON//NOFORN~~

Purpose

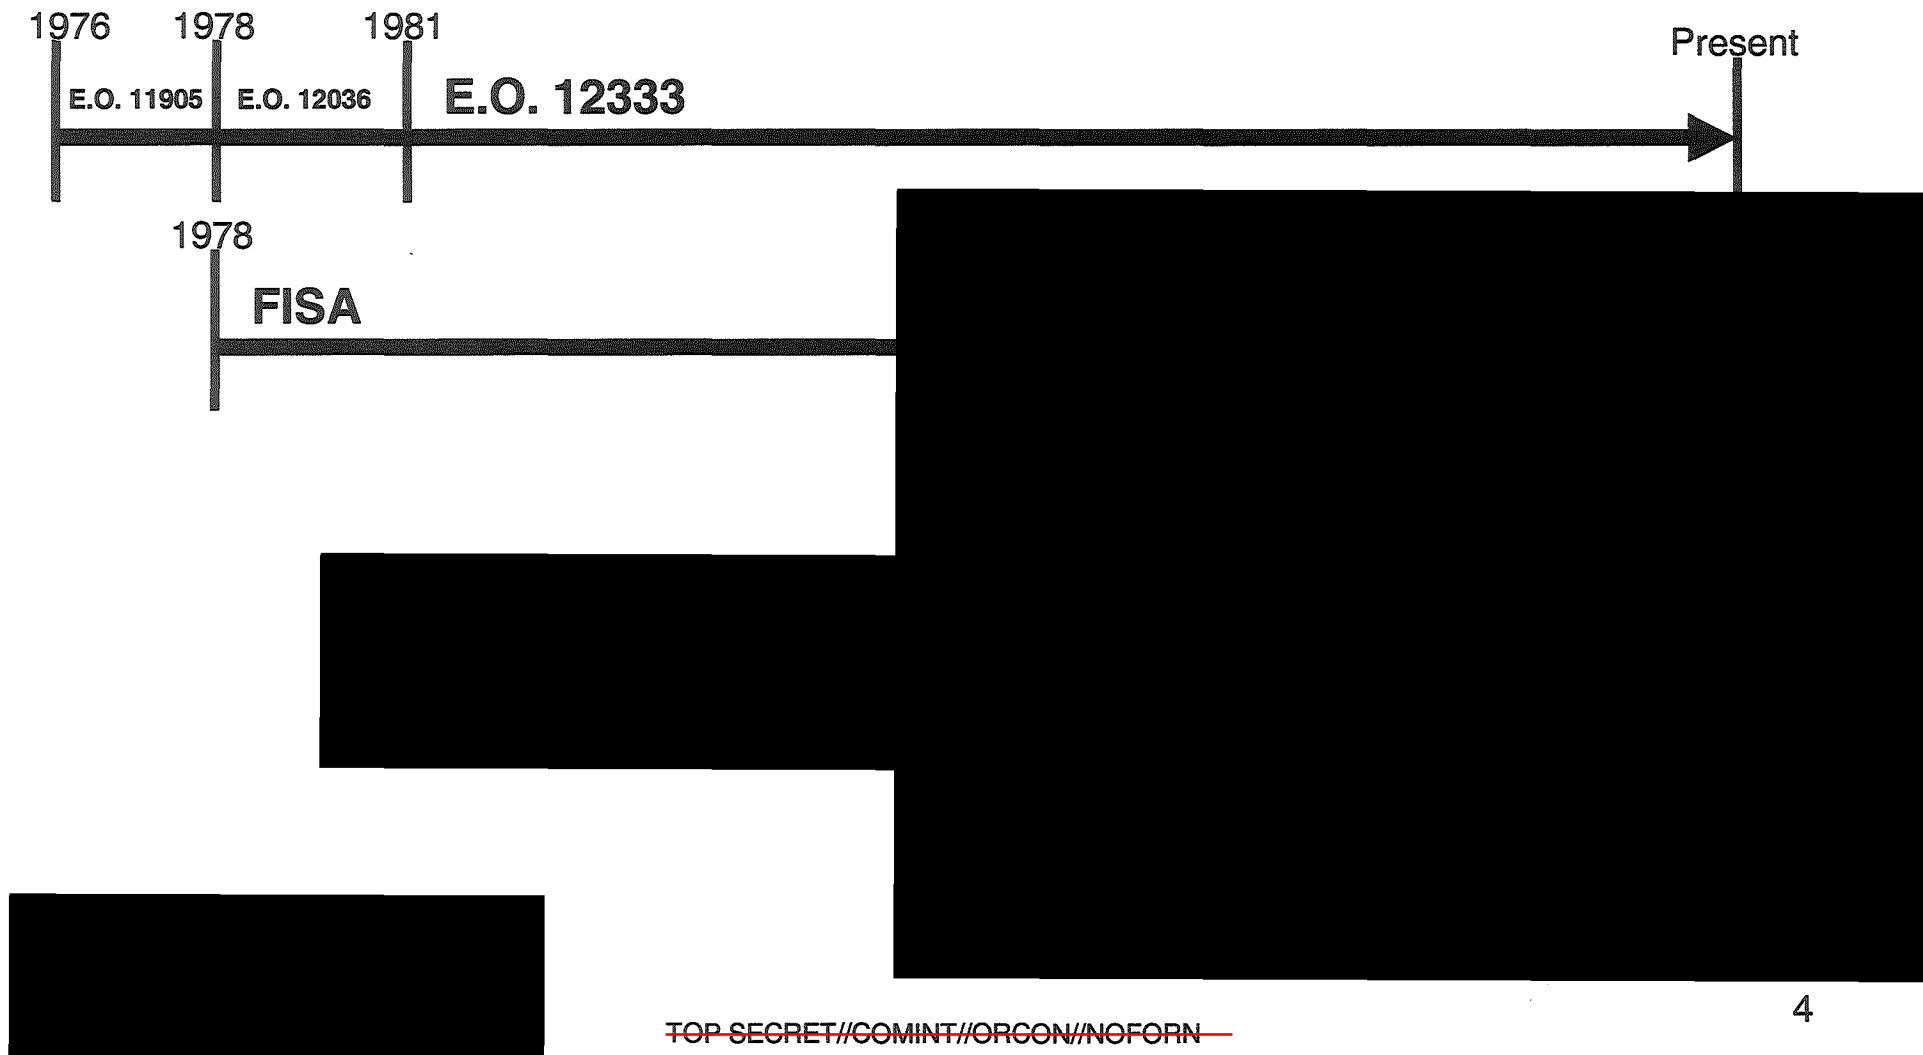

Demonstrate NSA's dedication to compliance with the Court Orders and demonstrate how NSA uses the BR FISA program operationally in its counterterrorism missions while appropriately protecting U.S. person privacy.

- Describe the BR FISA dataflow to include current controls and procedures.
- Provide demonstrations of the analytic workflow to include how analysts log onto the system to access and query the BR FISA data.
- Use OP [REDACTED] as a current example of NSA's use of the BR FISA Program.

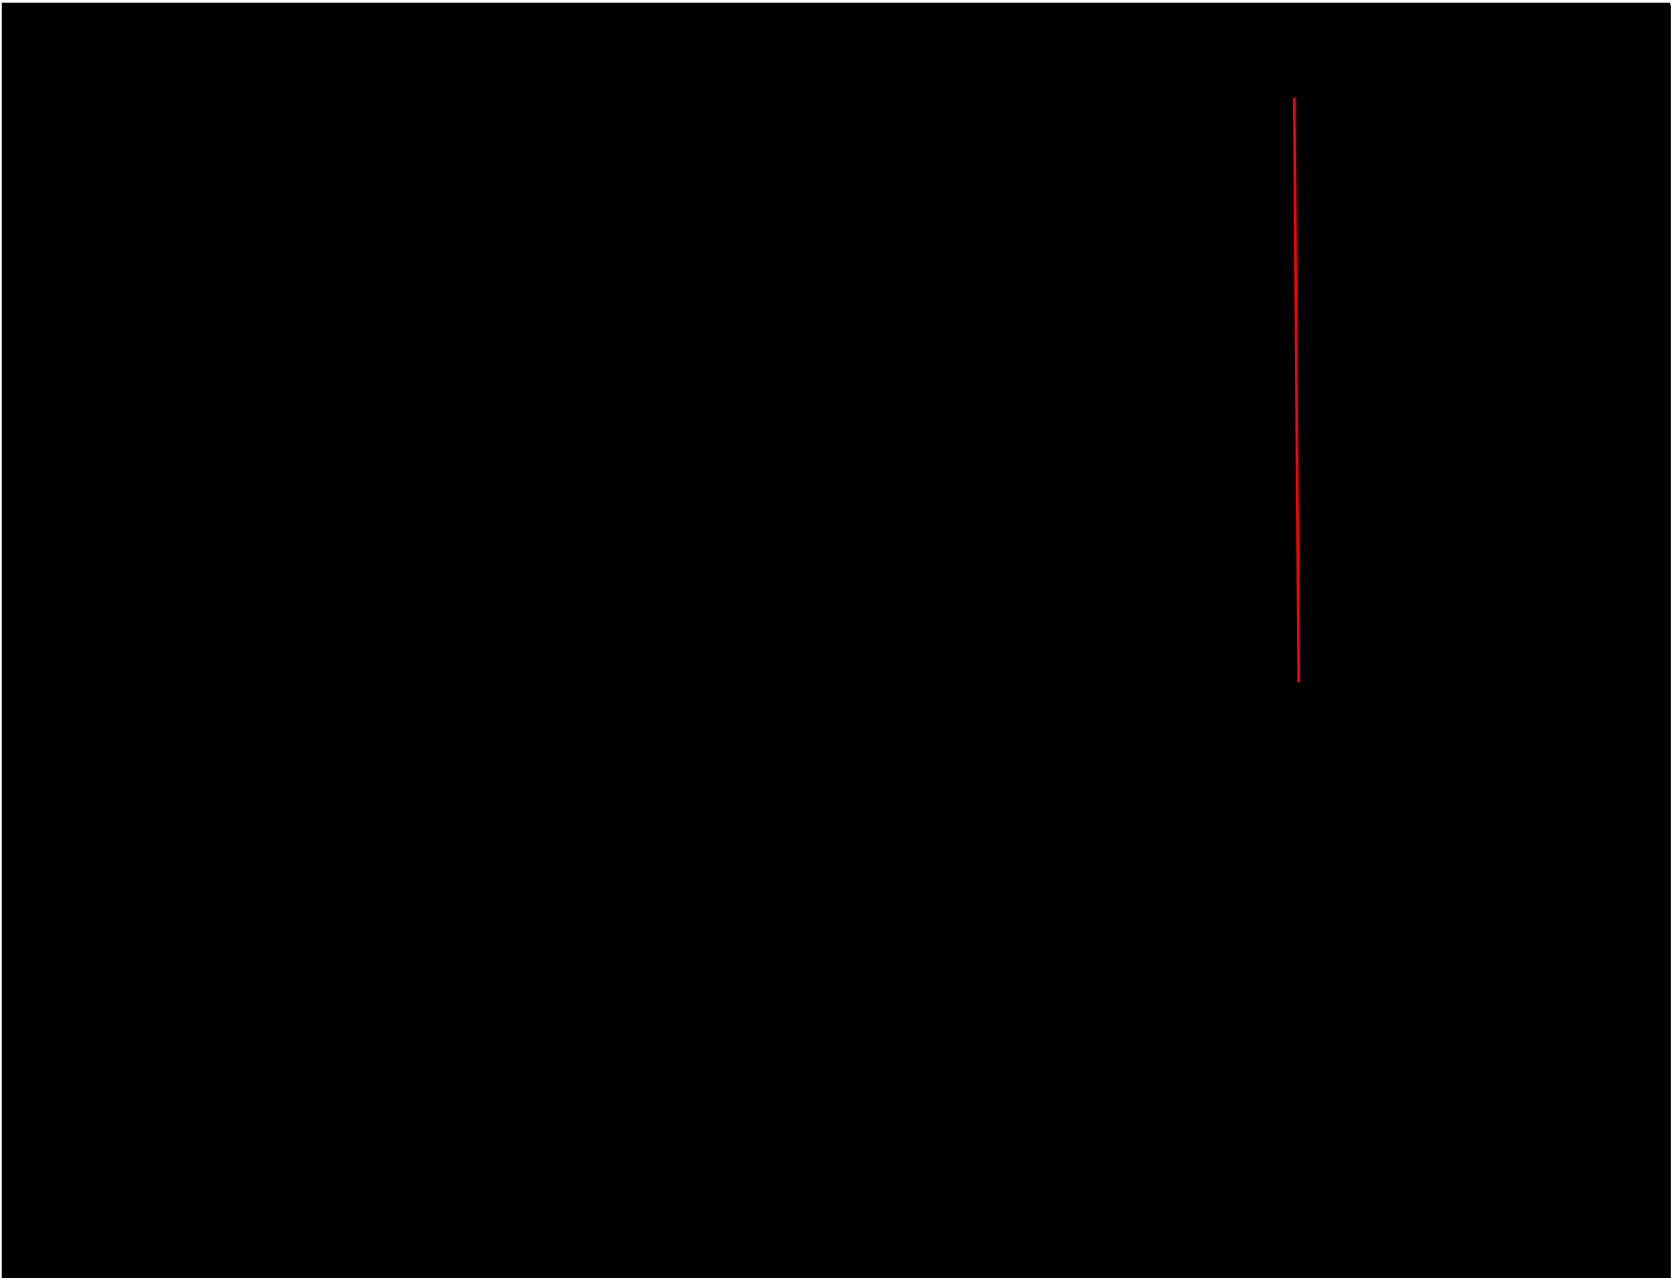

Agenda 11:30-2:30

- 1) Working Lunch and Opening Remarks (11:30 - 11:45)
LTG Keith B. Alexander
