OFFICE OF THE
EXECUTIVE SECRETARIAT

Dear Ms. Dietch:

I am writing to you because of concerns being expressed by a constituent from my district. This constituent has expressed concerns over the "SPOT" program being used by the Transportation Security Administration.

My constituent has raised the issue because he has been stopped on a couple of occasions for questioning based on the observations made by the TSA officers. This program has recently come under attack for its inability to accurately pick out potential threats. According to a report given by the GAO "The meta-analyses GAO reviewed collectively found that the ability of human observers to accurately identify deceptive behavior based on behavioral cues or indicators is the same as or slightly better than chance (54 percent)."

Please get in touch with our constituent, (b)(6) and advise him on the procedure for filing a formal complaint. (b)(6) can be reached at the address (b)(6) (b)(6) by phone (b)(6) or by email at (b)(6)

Thank you for taking the time to address the concerns of my constituent.

Sincerely,

Michelle Lujan Grisham
