Morning (b)(6) I am good with the edits you made in the doc, and made a couple edits to clean up the language. Can you have a look and send it to your colleagues in CP3, perhaps copying John Gereski for visibility. We can get this to a place this week where we can have the language for the campaign updated and moved on to OPA. Then I think we need to come back to this in early January to discuss (b)(5) and get that finalized for the purposes of the department. I have an open audit finding for GAO on this topic, and obviously it keeps coming up.

Thanks (b)(6) Almost there.

John

Hi team—as promised, please find attached the TDA that went back to the Hill in November, including (b)(5)” that was agreed upon by OGC, PLCY, and other Component leadership. Subsequent to the submission of this TDA, the Hill came back and had further questions for DHS on other aspects of the TDA, but not the (b)(5)

Good afternoon Kevin—thanks again for speaking with me earlier this week. I had a chance to talk to some of my colleagues who were also involved in previous discussions on the (b)(5) and would like to set up a call with you all next Friday, if possible (unfortunately I will be on leave Monday through Thursday of next week). It looks like the best times for everyone would be 1:00-1:30 or 3:00-3:30. Let me know which of these times work for you all and I will send out an calendar invite. Thanks!

Thanks for the quick response and can we meet next Wednesday morning at 9:00am? We feel it would be best for this meeting if the three of us meet and then we can discuss who we should loop in moving forward.

Thanks,

Apologies, re-reading your e-mail I saw that you said next week (on a call right now)! Would Wednesday work? I may also be able to meet Monday or Tuesday but I won't know until the day of.

Good morning Kevin; certainly. Tomorrow before 10 or after 3 would probably be best for me. I could also do Monday morning but prefer tomorrow since I'll be occupied with State of the Union on Monday and Tuesday. If there's a specific question you have I can also see whether I need to pull in any of my other colleagues. Thanks!

Good Morning (b)(6)
I don't think we have met yet and I am one of John's Associate Directors in CP3. I understand that you and John were having discussions last December about (b)(5) (b)(5) and we would like to continue those conversations. Do you have available next week to meet with us?
