Subject:	NTER Webinar Series on Workplace Violence Prevention- 28 September 2021
Date:	2021/09/08 12:54:40
Priority:	Normal
Type:	Note

Good afternoon Partners,

Please save the date **—Tuesday, 28 September 2021 from 1:00 pm-2:30 pm EST**; for the National Threat Evaluation and Reporting (NTER) Program's webinar series focusing on Workplace Violence Prevention.

We have three remarkable guest speakers with expertise in behavioral threat assessment in the workplace.

- **Ryan Boyer:** Insider Threat Program Manager with the Department of Homeland Security (DHS), Cybersecurity and Infrastructure Security Agency (CISA)

Ryan currently oversees the triage, analysis, and evaluation of potentially threatening and/or violent behaviors within CISA. He uses threat assessment methodologies such as the Critical Pathway to Insider Risk and the Pathway to Violence to assist leadership and stakeholders with visualizing and developing mitigation strategies to divert an individual away from violence. Ryan previously worked at the DHS Headquarters as an Insider Threat Operation Center (ITOC) Analyst Team Lead and with the US Coast Guard Insider Threat Program as their Headquarters Coordinator. In addition, Ryan is part of the NTER Master Trainer Program.

- ❖ **Krista Bowen:** Employee Threat Assessment Team (ETAT) Chair at Veterans Health Administration

Krista has worked in several safety-related positions within the Martinsburg VA Medical Center for over a decade. In December 2017, she was selected as the Safety and Occupational Health Manager, at which time she took over as the Employee Threat Assessment Team Chair. Prior to joining the VA, Krista specialized in worker health and safety for OSHA compliance, health and environmental consultation and

emergency preparedness planning in the Washington, DC Metro area with several international financial institutions, private corporations, as well as the federal government.

❖ **Brian Wedoff:** Senior Director, Loss Prevention Operations at Ulta Beauty Inc.

Brian began his career with AT&T after achieving a Bachelor of Science Degree at Truman State University in Missouri. After earning a Master of Arts Degree at Loyola University, he has spent thirty years in the telecommunications and retail industries. Brian is currently the Senior Director of Loss Prevention Operations at Ulta Beauty Inc. specializing in workplace violence threat assessment and physical security applications. In addition, he is responsible for Environment, Health and Safety, Business Continuity and E-Commerce Fraud for over 1200 stores.

The webinar access information will be forthcoming. In the meantime, if you have any questions, please reach out to (b)(6) We hope you can join us for this exciting event!
