Subject: Request for Information - NTER Master Trainer Program

Good Morning,

As an insider threat analyst and certified master trainer, I am very interested in learning more about and possibly applying for the NTER Master Trainer program.

I am a current employee of a federal homeland security partner (US Department of Defense) with 10+ years emergency management/security experience (most recently in insider threat); professional and academic experience in targeted violence prevention and behavioral threat assessment; professional experience in vetting tips and leads; and a certified trainer through US Army Community Service (Master Trainer), US Army Comprehensive Soldier and Family Fitness (Level 1 Certified Master Resilience Trainer), and US Army A-C-E Suicide Intervention (Train-the-Trainer).

Prior to federal service, I had 18+ years professional experience within higher education administration that includes additional experience in emergency management and trainer certification by NAFSA: Association of International Educators (Master Trainer).

I'm very excited about the possibility of participating in the NTER MTP. Please provide additional information about the program and how to apply.

VR.
