Thank you for meeting with us today! Apologies if my presentation was a bit rambling.

I have attached two slick sheets to provide some context regarding our training (TERC) and our Master Trainer Program (MTP). I have also provided the roadmap that we have created

If you have any questions related to these documents or would like any clarification, please let me know! We can set up a deep dive into our program for anyone in your teams or your AORs who is interested in learning more.

Best,
